

Licensing & Compliance

An experienced marijuana compliance attorney in Greenspoon Marder's Cannabis Practice can help your business with licensing and compliance across the country. At the heart of our practice is helping to ensure that your business is able to receive all of the licensing it needs to operate and that it operates in the most compliant fashion possible. Our lawyers have been helping cannabis clients stay compliant for as long as medical programs have existed. With deep roots in the space, we are uniquely situated to help you and your business apply for and receive your state and local licenses.

Our Cannabis Compliance Services

Our national cannabis law practice is proud to help clients with the following licensing and compliance services:

- State licensing applications both for open and competitive licensing programs
- Local government licensing and permitting
- Medical marijuana registrations and licensing where required
- Compliance training for management and staff
- Compliance audits
- Standard operating procedures
- Renewals and license updates
- Direct communication channels to licensing agencies
- Availability for inspections and violations
- Representation on violations and license cancellations
